Hannah Kemp

URBAN AND ENVIRONMENTAL PLANNER

I am passionate about developing physical spaces, policies and research that are both equitable, and data driven, and always strive to identify solutions that champion sustainability, community empowerment, and social and environmental justice.

EXPERIENCE

URBAN MOBILITY INTERN WORLD RESOURCES INSTITUTE
Oct 2022 – April 2023

Conducted research for ongoing data analysis projects, contributed written and graphic content to publications, reports, and presentations. Developed communication products and collaborated with international partners and teams to organize webinars and events.

GRAPHIC DESIGNER CHANGE ESSENTIALS, LLC.
Nov 2021 – Oct 2022

Collaborated on written content for Strategy and Capacity Building service offerings. Provided design, layout, and graphics for web content and pamphlets.

GRADUATE RESEARCH ASSISTANT UNIVERSITY OF VIRGINIA
June 2020 – Dec 2020

Produced Technology and Urbanization research report tracking data center development, existing literature, comprehensive plans, and zoning ordinances. Converted raw census data to demographic and development maps using Excel, ArcGIS, and Adobe Illustrator software.

GRADUATE STUDENT AMBASSADOR UNIVERSITY OF VIRGINIA
Aug 2019 – Dec 2020

Represented the Urban and Environmental Planning Graduate program at admissions events, guided tours, spoke in panels and webinars, and corresponded with prospective students.

GRADUATE URBAN DESIGN STUDIO TEACHING ASSISTANT
UNIVERSITY OF VIRGINIA
Aug 2019 – Jan 2020

Co-wrote course assignments, led software and technical drawing workshops, assisted in project review sessions, and compiled final project booklet for Baltimore community partners.
